

# WILLOWOOD SPREADER

90% NON-IONIC SURFACTANT

CA Reg. No. 87290-50002

## PRINCIPAL FUNCTIONING AGENTS

Alkylaryl polyethylene Glycol, Isopropanol.....	90.00%
Constituents ineffective as a spray adjuvant.....	10.00%
Total.....	100.00%

(Product weight at 20° C is 7.65 lbs/gal.)

## GENERAL INFORMATION

Willowood SPREADER is a high analysis spreader-activator which gives quick wetting, absorption and aids in assimilation and translocation. Willowood SPREADER is low foaming, non-ionic and is 90% active. It can be used with insecticides, miticides, herbicides, defoliants and fungicides.

## DIRECTIONS FOR USE

This product may be used for dilute or concentrate sprays. Add Willowood SPREADER to spray tank first.

### Rates Per 100 Gallons or Less of Spray Mix Per Acre:

#### Acaricides, Insecticides and Fungicides

Aerial Application: 4-10 ounces

Ground Sprays: 4 ounces

#### Herbicides and Defoliants: 1-4 pints

**Note:** The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher rates for optimum effect. Follow the pesticide label directions when this occurs. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

**SHAKE WELL BEFORE USE**

## PRECAUTIONARY STATEMENT

# WARNING

## Keep Out of Reach of Children

Hazardous to humans and domestic animals.

Causes eye and skin irritations. Ingestion may cause nausea, vomiting, acidosis and shock. When mixing or applying agricultural sprays always wear protective spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

## FIRST AID

If this product gets into the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes. Seek immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention.

*This product meets E.P.A. requirements under Title 40 CFR 180.1001 subparagraph C and D.*

## CONDITIONS OF SALE

The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond our control, the manufacturer does not make nor does it authorize any agent or representative to make any warranty or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements on the label. Neither the manufacturer nor the seller shall be responsible in any manner for any personal injury or property damage or loss resulting to buyer or to other persons from handling, storage or use of this material not in accordance with directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on those conditions. If these conditions are unacceptable to the buyer he should immediately return the unopened product to the seller.

## STORAGE AND DISPOSAL

**Pesticide Storage:** Do not contaminate water, food or feed by storage or disposal.

**Pesticide Disposal:** Follow all governmental procedures for the disposal of pesticide spray solutions. Triple rinse container; empty rinsate into spray tank.

**Container Disposal:** Dispose of empty container according to approved local practices; contact county agricultural commissioner for container disposal information.
